

SET UP MINI COMPANY

YES

Young Enterprising Students

The students set up a mini company and they gave name "Young Steps".

They planned their facilities and created logos for the company. They chose the best logo by voting. In the company there are 15 students and 5 of the students can decide the company facilities. The other 10 students are responsible for evaluation and analysis of the company activities. During the project they will take part active part in the project facilities. They will join charity events and design new products for the company and sell the products in E+E Charity Day.
