**MEETING WITH A PERSON
WHO ACHIEVED SUCCESS**

Meeting with Successful People; Today our visited a cafe house which is very different from any others. The owner of the shop is Ferraye who is an enterprising person who achieved success in her life. When she was just a housewife four years ago, she decided to learn more about traditional handcrafts such as painting ornaments, knitting etc. After the years, she made what she wanted and now she has the owner of an unusual coffee house where you can have Traditional food and also buy handmade Traditional presents ... She is one of the successful enterprising person in our city.
